EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael King on 11/07/2005. The application has been amended as follows:

IN THE CLAIMS:

Cancel Claims 37 and 38.

2. The following is an examiner's statement of reasons for allowance: Claims 1-13 and 35-36 are allowable over the prior art, since the prior art fails to teach or fairly suggest an automated reaction system comprising a controller configured to monitor and control the system while continuously performing a plurality of optimization experiments, such that during each of the plurality of optimization experiments at least one of a plurality of reaction parameters controlled by the controller is changed according to a predefined function which can be a periodic function.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication or earlier communications from the examiner should be directed to Natalia Levkovich
